[問8]		[ア] (I think it is a good idea because) we don't have to tell them what to do. It is a great help if robots can do easy things by themselves. They will be able to wash dishes or clean rooms when they should do. I hope in the future robots will do many things by themselves. (48words) [イ] (I don't think it is a good idea because) robots may have a lot of power. If robots can decide what to do by themselves, they may not follow our orders. And robots may do something we don't want them to do. So I don't think we should make such robots. (42words)	9
